

Good morning,

\* Please continue with the schedule for today, Friday, April 17.

\* If your child is using the Remote Journal on Classroom Google for their journal entries, please submit them today. I can give feedback if you use the Remote Journal.

\*There is no Remote Learning on Monday.

\*GoogleMeet will be Tuesday, April 21 at 1PM- VERY IMPORTANT- Please look at the Agenda for the Google Meet below.

\* I'd like to visually 'see' their progress on the packet from this week. Please have it ready.

This will allow me to help those who need help in the future.

\* I will go over how to do "An Article-a-Day" from Readworks, on our Google Classroom. I

will share my screen with the children and show them how to access this feature. It is

not on the schedule, but it is a great resource that you can use.

\* If you can only call in, I will meet with you after the meeting to go over how you can access this resource.

\*An Article a Day can be used as a "choice" under "Reading" on the schedule.

\*One final note, if you need assistance, you can make an appointment with me. We can use GoogleMeet and I can go over work with your child if they are having trouble. That is perfectly fine. But, you will need to make an appointment. I have already done this with two other students and it worked out well! Just ask! And, it can be done with a Call in GoogleMeet if your device does not have a camera.

Please contact me if you have any questions. Again, no Remote Learning on Monday. Have a nice day and long weekend!
